

TORFIELD & SAXON MOUNT ACADEMY TRUST

**POLICY AND SCHEME FOR THE DELEGATION
OF THE FINANCIAL POWERS AND DUTIES
OF THE BOARD OF DIRECTORS**

**Agreed by Directors
30th March 2023**

POLICY REGARDING THE DELEGATION OF ACADEMY TRUST FINANCIAL POWERS AND DUTIES

INTRODUCTION

The Board of Directors of Torfield and Saxon Mount Academy Trust have responsibility for managing a delegated budget as defined by the Academies Funding Agreements and Academies Financial Handbook (AFH). Many of the Board of Director's responsibilities will be delegated to the Academy Advisory Board and to the Executive Headteacher. To ensure that sound financial control is maintained, this policy statement clearly specifies the extent of delegation and responsibility at this federation of academies.

In accordance with the Academies Financial Handbook (AFH), the Executive Head Teacher is also the appointed Accounting Officer for the MAT and assumes the additional responsibilities and duties of this appointment.

Also in accordance with the AFH, the Director of Finance, Resources and Operational Strategy is the appointed Principal Finance Officer for the MAT and assumes the additional responsibilities and duties of this appointment.

In accordance with the Company's Articles of association, the meeting of The Board of Directors which adopted this Scheme of Delegation did have a quorum of any 3 Directors or one third of the total number of Directors (rounded up to a whole number) of the membership of The Board of Directors when complete.

The Scheme of Delegation must be operated in conjunction with the Academies Financial handbook (AFH), Academies Funding Agreements. We require our own written local internal financial rules to support the Scheme, our policy and to detail operational procedures.

It is recognised by the Board of Directors that each academy within the MAT needs to have individual procedures in place as required, but that the Executive Headteacher / CEO may need to make such decisions that ensure efficient organisation and operation across the Trust schools in order to avoid unnecessary duplication in implementing the scheme of delegation. Such decisions will be reported to the chair of the board at the earliest available opportunity. A number of procedures are standardised across the federated schools and the intention is to continue to do this wherever possible to achieve efficient use of human resources, systems and processes.
